

**REQUEST TO RECEIVE COURT DOCUMENTS VIA FACSIMILE**

I request receipt by facsimile of service and notice of court-generated electronically filed documents in matters pending in the United States Bankruptcy Court for the District of New Mexico.

I understand that:

1. Not all documents generated by the court can be sent by facsimile, such as notices produced by the Bankruptcy Noticing Center (notices of §341 meeting, discharges, etc.).
2. Should fax transmission fail, the court will send notice by mail.
3. The court is not obligated to use facsimile noticing as a result of my having made this request. I will receive a paper copy of notices in the mail when they are not sent to me via fax transmission.
4. The filing of this request constitutes consent to receive service and notice by fax (from the court only, not from other counsel or parties) **in lieu of service and notice by any other means.**
5. This consent remains in effect until withdrawn by written notice submitted to the quality clerk of the bankruptcy court.
6. NM LBR 7005-1 governs service and notice by electronic transmission. See also the 08-19-99 Order Adopting Guidelines for Attorney Filing by Electronic Transmission, available from the courts' website at [www.nmcourt.fed.us](http://www.nmcourt.fed.us) (click on electronic access/filing information, then on the order).
